Case Number: 1:18-cv-05320 (GBD) (SN)

DECLARATION OF FAMILIAL RELATIONSHIP

I, Rosa Colon, declare under penalty of perjury, as provided for by 28 U.S.C. § 1746, that the following statements are true and correct:

1. My name is Rosa Colon, and I am the step-daughter of Jaime Concepcion, who died on September 11, 2001 when the World Trade Center collapsed. I submit this Declaration for the purpose of demonstrating that Jaime Concepcion was the functional equivalent of my father.
2. While not Jaime's biological daughter, for the reasons set forth below, I should be deemed the functional equivalent.
3. Shortly after my birth in 1990, my mother, Arelis Manon was killed.
4. As my biological father was never in my life, I had no biological parents at the age of two-years old.
5. Thankfully, my aunt Juana adopted me, and her boyfriend at the time (and future husband) Jaime Concepcion brought me into their life and raised me as their own. See Exhibit 1, Affidavit of Helen Speransky, Clinical Social Worker at ¶ 2; see also, Exhibit 2, family photographs.
6. We lived in the same household for all my life until he was taken away from me by the 9/11 attacks. I would was 10 years old at the time. Ex. 1 at ¶ 2

7. I never met my biological father; Jaime was the only true father I had ever known.

8. Juana was stricken with an illness, Lupus, which prevented her from working.

Ex. 1 at ¶ 4.

9. But Jaime worked hard as a restaurant manager at the Windows of the World in the World Trade Center to provide for Juana and me, along with 4 other children who made up our family. Ex. 1 at ¶ 4.

10. In addition to this financial support, he treated me like his daughter, emotionally and socially, always made sure I did my homework and properly focused on school, as well as helped me with afterschool programs and extra-curricular activities like ballet dancing and singing.

11. We would regularly go to the park, pool, and beach at Coney Island in our free time.

12. We would also take vacations to the Dominican Republic as a family.

13. I was in 9th grade when the September 11th attacks occurred.

14. When we heard the news, my whole family gathered at our house and tried to reach Jaime without success.

15. We went to the hospitals and contacted the fire department.

16. We submitted an official missing person's report and filed out all the necessary forms and provided material for DNA analysis at the Victim's Assistance Center.

17. Eventually, we realized he was never coming home. It was devastating.

18. My family and I held a spiritual prayer service at the house to honor and remember him.

19. After his death, I lost interest in school, became quiet and introverted and suffered from depression.

20. I applied to the Victim's Compensation Fund ("VCF") as the functional equivalent of Jaime's daughter.

21. I was awarded \$100,000 by the VCF. See Exhibit 3, September 11th Victims Compensation Fund Distribution Plan.

22. In sum, Jaime and I viewed each other as immediate family and Jaime was the only father I had ever known. As such, we should be treated as the functional equivalent of a biological father and daughter.

Executed on: 8-13-2019.
